

PACE Alumni Association

Who we are: We are former clients of Pace, Inc. who want to stay connected and give back what has been given to us. We were founded to help maintain continued sobriety and support of other alcoholic and addicts.

What we do: We share our stories with client groups at Pace, Inc. We speak at and help out with Pace holiday events.

When we meet: We meet from 6:30 to 7:30 p.m. on certain Mondays of the month in the large room at Pace, Inc. **See calendar for the dates of the meetings** (Approx. once every 6 weeks). Come out and meet other Pace graduates who are staying connected and helping others as we have been helped.
